GENERAL INTRODUCES COMPREHENSIVE LINE OF HEAVY-DUTY INSPECTION & RETRIEVAL TOOLS

Includes Telescoping & Lighted Mechanical & Magnetic Pick-ups & Inspection Mirrors

FOR IMMEDIATE RELEASE: April 29, 2015

(New York, NY) The new **GoldPro Line of Heavy-Duty Inspection & Retrieval Tools** from **General Tools & Instruments (General®)** consists of 13 different products that help professionals and DIYers alike to inspect hard-to-see areas and retrieve hard-to-reach objects. The tools range from inspection mirrors to mechanical and magnetic pick-ups in telescoping or non-telescoping and lighted or non-lighted styles.

Most of the tools in the GoldPro line feature a:

- Heavy-duty anodized aluminum body for rugged worksite use (in a gold color)
- Grooved telescoping stainless steel shaft; design prevents rotational slipping to ensure secure positioning and pick-up
- Flexible-obedient gooseneck for access into hard-to-reach areas

**See General's new GoldPro Line of Heavy-Duty Inspection & Retrieval Tools at Booth 36007 at NHS 2015, May 5-7 at the Las Vegas Convention Center.
The tools will be on display and available for order.**

Below are details about all 13 tools in the line.

Telescoping Lighted Magnetic Pocket Pick-ups (91581, 91582)

- **91581:** Telescopes to 14 in.; features a bright white LED, a magnet that easily lifts 3 lbs. and a pocket clip
- **91582:** Telescopes to 22 in.; features 3 bright white LEDs, a magnet that easily lifts 4 lbs. and a pocket clip

Heavy-Duty Telescoping Magnetic Pick-up (91383)

Telescopes to 21⁵/₈ in.; features a magnet that easily lifts 5 lbs. and a pocket clip

Telescoping Lighted Magnetic Pick-ups with Mirrors (91555, 91557, 91560)

Each model telescopes to 22 in.; features 3 bright white LEDs, a magnet that easily lifts 4 lbs., a clear polished glass mirror attachment in a strong, protective ABS holder and a pocket clip

- **91555:** comes with a 1.5 in. diameter round mirror attachment
- **91557:** comes with a 2.2 in. diameter round mirror attachment
- **91560:** comes with a 2 in. x 2.8 in. rectangular mirror attachment
