

PacTool Announces New Cordless Snapper Shear Pro For Curved/Circle Cuts *Cut Fiber Cement Boards with Ease Indoors, With Less Mess, Dust & Airborne Toxins*

LAS VEGAS (May 7, 2019) – Forget about score and snap - PacTool’s new Snapper Shear Pro is designed to fit on any cordless drill, making backer board cuts fast and easy indoors, with less mess and airborne silica dust.

The new, unique cutting shear is designed to enable users to cut circles and curves into backer board as small as a 3” diameter, as well as straight and 90° cuts. Ideal for cutting shapes for toilet flanges, hardware, outlets and corners in kitchen and bathroom installations or remodels. The Snapper Shear Pro fits onto any cordless drill platform – it’s as easy as changing out a bit. Eliminate airborne dust, and work smarter with the new PacTool Snapper Shear Pro.

Features Include:

- Cut ¼”- ½” HardieBacker® fiber cement backer board indoors with less mess
- Cut straight, curved, circle and 90° cuts with ease, as small as a 3” diameter
- Attaches to any drill motor (recommended 18V and above)
- Durable and replaceable steel blades
- Adjustable left or right handle

“The PacTool Snapper Shear Pro attaches to any cordless drill and gives contractors and remodelers the ability to cut HardieBacker™ fiber cement backer board with straight, curved, or corner cuts anywhere with less mess,” says Greg Bonsib, General Tools vp of marketing. “PacTool is known for its innovation in fiber cement installation tools and the Snapper Shear Pro builds on this legacy.”

The PacTool Snapper Shear Pro is available now on [amazon.com](https://www.amazon.com) and this summer on [homedepot.com](https://www.homedepot.com) for \$99.97.
